Cuero Municipal Library - 4:30

Regular Meeting of the Library Board Minutes

Present:

Vicki Coppedge	20-22
Larry Nuckels	20-22
Cindy Holcomb	21-23
Candy Glidden	21-23
Monica Fuqua	19-21

Absent:

Mary Adell Blackwell	21-23
Christi Fuchs	20-22

Chairman Vicki called the meeting to order at 4:29

The Library Board approved the minutes as read.

The Board went to reports and discussed Larry's request concerning the museum and Genealogy. Larry wanted to know if Lynn had spoken with Amber and how the museum would implement making materials available to the public. Lynn told the board that she had made recommendations as to how to group books and about the free app LiBib and Christi Fuchs availability to create a QR code and spreadsheet. When I went over a second time to speak with Amber, she showed me the progress she made in arranging the books and decided to utilize the LiBib app. I told Mr Nuckels that I would speak with her a third time and see how Amber was progressing and bring back a report for next library Board Meeting. We also spoke about Ana Krahmer's return of microfilm to Amber.

The library Board was made aware of the summer reading program totals and a discussion of possible new programs we might be able to add. Candy Glidden said, she would speak with some people she knew and see if they would be available and interested in helping with the new programming in June.

Vicki discussed Mary Adells wish to request a temporary leave of the library board in order to take care of her health at the moment and to be reinstated when she felt better. The board agreed to hold her place on the board until her return.

Vicki discussed the 175th DeWitt County Exhibit. She has requested to place local public author's books on display and to utilize the shutterbug picture holder for the day of event. I left a message with Michelle Bennett to see if we could borrow the frame for the day. The library will set-up for a book signing and lecture by Edward Rocha in the meeting room.

We were adjourned at 5:01 and a new meeting date of September 2, 2021 at 4:30 was set.
