

We are starting to put up the Artist Extravaganza today that is up until August 27th. Next we will have a Cuero Sports Exhibit that will run until Mid-November, then it will be time for Christmas. We are open for Christmas this year to exhibit someone's collection, if that doesn't happen, well, I have a large room full of Christmas to choose from.

Also, if I hear back from the Turkeyfest, we could make an area for them since it's the 50th anniversary. I can divide out the large room and have part Turkeyfest and part Cuero Sports.
