The City Empowerment Council is requesting the use of Daule Street, on October 8, 2022, for a Gospel
fest. The festival will be our 1st so we will only have it for one day. There will be music, food booths, free
school supplies and school collar shirts given away. There will be an assortment of vendors. Everyone is
invited to join us for an old-fashioned block party. See below for streets to be blocked off.
