RE: Bid Review for Repairing and Repainting the Interior and Exterior of One 50,000 Gallon Steel Elevated Tank, "Industrial Park Tank #1," and One 54,410 Gallon Ground Storage Tank, "Industrial Park Tank #2," in Cuero, Texas; TIC 22.123.S1538.003 & 004

Dear Mr. Berger:

Tank Industry Consultants has received copies of the bid proposals that the City of Cuero received on the above referenced project. There were six bidders with bids ranging from \$484,000 to \$831,300.

The apparent low bidder on the project was BRZ Coatings Inc. for the amount of \$484,000. Tank Industry Consultants can see no reason not to award the project to BRZ Coatings Inc.

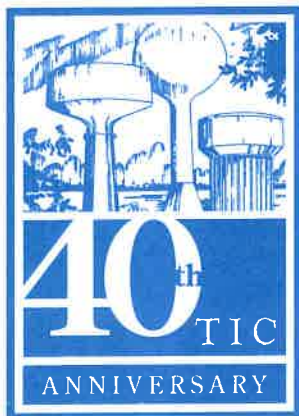

If you have any questions, please feel free to contact me.

Sincerely,

Tank Industry Consultants

Gregory R. "CJ" Stein, III, E.I.
Project Engineer
