Chairman: Vicki Coppedge called the meeting to order at 4:27

Motion was made by Larry Nuckels to accept the minutes as read after a correction was made concerning the bottom paragraph from previous minutes.

Lynn handed out papers concerning the practices of weeding and brought the CREW manual established by the Texas State Library Archives Commission for School/Public Libraries in 1976. Lynn responded to their questions. It was decided to leave books that had memorials or signed authors names on the shelf for a longer period of time, if unread, than what may be indicated concerning the CREW manuals directive.

Larry Nuckels initiated conversation concerning new OverDrive information and the steps one needed to take to download to Kindle devices.

Lynn made plans to reserve the Clubhouse for our April Speaker on April 10, 2018. Last year we had over 100 people for this event. The current library meeting room is cleared to accommodate 83 people without breaking fire laws. While the number of people who come to this event may not reach 83, it was decided to err on the side of caution and stay at this location.

Lynn gave a brief overview of the Summer Reading Programs and the presenters that will be coming in June and July. Due to the July 4, 2018 holiday, Lynn decided to double book on one week with two programs.

The April Speaker will take the place of an April Library Board Meeting. The Meeting was adjourned at 5:10.
