Are the piling foundations placed in stable soil no more than 10 ft. apart? _____</p> <p style="padding-left: 20px;">iii. Has reinforcement been provided for pilings more than 6 ft. above the ground level? _____</p>	

NOTICE TO APPLICANT: State law requires that all mobile homes be tied-down in accordance with State specifications. It also requires all owners of mobile homes to report the installation to the Texas Department of Labor and Standards and to pay a fee to that department for inspection of the installation. City of Cuero permits to install a mobile home are issued SUBJECT to the owner's duty to tie-down and report to the State authorities for inspection.
